Background:

AHOPE Ethiopia is an Ethiopian Resident Charity that specializes on the care and support of HIV Positive children since 2004 GC. It provides a comprehensive support for children in order to make them productive citizens of the nation. In addition to its institutional and Group Home care & support program, AHOPE supports the families of HIV positive children to be engaged in IGA under Economic strengthening and self-supportive cooperatives. AHOPE provides Non-IGA financial support to those families who cannot work due to old age or long term illness. Also, it does implement a community Outreach Program where destitute children are provided with educational supplies to pursue their education.
