Background :

Children's Hopechest /CHC/ is an international non-governmental Organization working on destitute and orphaned children and their guardians to enable them overcome poverty by connecting caring and loving communities in the U.S. and Canada with communities of orphans overseas. These relationships provide financial, human, and other resources to help orphans **survive, thrive, and succeed** within their home culture. The Organization was founded in 1994 GC in response to the devastating need of orphans in Russia. Children's HopeChest has been registered in 2011 by Federal Democratic Republic of Ethiopia Charities and Societies Agency as a foreign Charity according to Charities and Societies Proclamation No 621/2009.
